President's Corner

By Jim Pachence, President

"Summer is coming to an end, and our Rotary year will begin in full force in a few weeks as folks come back from vacations. There will be a number of initiatives, both old and new, that we will be discuss in the next several weeks in preparation for our fall and winter events, including an event for the Vocational Service Award and a Pizza and Wine social event.

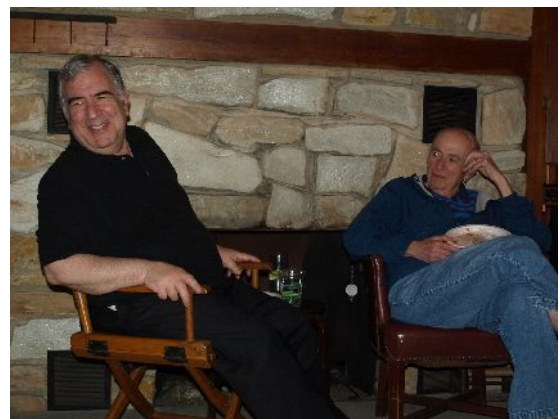

We will also begin our campaigns for Every Rotarian – Every Year and Polio Plus. Last year we had a good response for both programs, and I would like to see full participation in each of these RI programs. We plan to hand out envelopes to every member in our club to encourage and remind us about these important programs.

I want to again remind everyone that it is important to spread the word about the Princeton Rotary Club. It is our obligation to friends and associates to let them know about this great organization. Please make the effort to ask your friends and colleagues to join us for lunch.

Finally, let's all thank John Lasley for opening up his home for us for the annual summer picnic. Although we were a bit damp, everyone had a great time."

at the District Changing of the Guard**

*Accomplishments by past District Governors
Each who has lead our district turning dreams to reality*

Our unwavering commitment to polio eradication

Creating homes for the homeless in Equator

Neo-natal care for newborns in Argentina

Safety for street children in Brazil

Renewed hope for orphans in Nepal

Saving children from a life of prostitution in Thailand

Prosthetic limbs in India

Prevention of river blindness in Africa

Shelter boxes for disaster victims

Creating sustainable sources of safe drinking water for families in Central America and Haiti

In our district, thousands of children have and are attending the colleges of their choice with the help of Rotary scholarships

Food for the hungry

Help for seniors

The list goes on

“Our reward for work well done is the opportunity to do more.” (Jonas Salk)

Mystic 2011

Active planning is well underway.

Meetings of teams (Fri. & Sat. evenings, promotion, Saturday programs & activities), are being organized by Steve.

Food For Friends

Please support our **Food-For-Friends** project by weekly bringing non-perishable food items (not in glass) to the Rotary Club meeting.

They especially need canned Vegetables (Low sodium), and canned Fruit (Natural Juices). Your gift makes a difference to our less fortunate friends and neighbors in our community.
