

Dear Friends,

Many thanks for taking interest in our Club and what we are doing for the community. I am looking forward to exploring with you how your contributions to Rotary may satisfy your charity objectives.

Bob Teweles

We invite individuals and institutions that recognize the integrity and soundness of Rotary's commitment to humanitarian service to become *Friends*, and by their contributions to share in both the work and the fellowship of the Rotary Club of Princeton

What are *Friends*

- Friends* are Individuals, institutions and foundations;
- that want to expand their charity to people in need locally or globally by partnering with Princeton Rotary,
 - that recognize the integrity and soundness of Rotary's service commitment and effective delivery world-wide.

100% charity

Friends get the opportunity to provide tax free support to charitable projects of the Rotary Club of Princeton, and to join forces with Rotary International, an organization which has assisted catastrophe victims and humanitarian causes world-wide for over 100 years. Because Rotary uses only volunteer workers to administer and deliver services, 100% of all contributions from *Friends* are used for charity.

Benefits to *Friends*

Friends have the satisfaction of contributing to improve the human condition locally and abroad, addressing such critical issues as poverty, health, hunger, illiteracy, and the environment. They also benefit by knowing that Rotary carefully surveys the needs of the beneficiaries and selects projects that make the most impact to their lives, often in the form of self-help.

Friends of Princeton Rotary will be honored at Club events, and, with their permission, publicly acknowledged in media and on our website. They will also be the guests of the Club at meetings when Service projects are presented, and welcomed at the weekly luncheon meetings.

Levels of contribution

The following yearly levels of contributions are available:

Platinum: \$2500 or more,

Gold: \$1000–2499,

Silver: \$ 250–999.

When making a contribution, *Friends* may designate a specific project, or leave this to be used un-designated with other contributions to the Rotary Club of Princeton Foundation*. *Friends* make contributions through the Foundation to help fund service projects run by the Club. All contributions made to the Foundation are tax deductible.

*The Rotary Club of Princeton Foundation is a non-profit organization chartered under IRS code 501(c)(3), and governed by a Board of Trustees.

Current Club projects

All contributions by *Friends* are applied to:

Community Service, supporting the need for humanitarian assistance. Presently the Club is focusing on literacy; by providing dictionaries to Second Language students at the Princeton Adult School, and to 3rd graders in the Princeton Public Schools, and by giving thesaurus to each 6th grader of the Princeton Middle School, as well as providing a “First Library” for the three multi-cultural day care centers in town.

International Service, supporting health and well-being for needy populations throughout the world. The Club is currently the key sponsor for the District for Rotary International projects of health in Argentina, and clean water in Nicaragua.
